2020 sponsorship & advertising opportunities

JW MARRIOTT
201 8TH AVE SOUTH

CROSSROADS: An Artia Solutions Conference was the first event of its kind in 2018. The successful inaugural conference brought together more than 200 attendees, 14 state Medicaid officials, and seven sponsors to Nashville, Tennessee.

Crossroads 2018 featured Mark McClellan, MD, PhD, Director of the Duke-Margolis Center for Health Policy, as keynote speaker with 28 additional speakers, 12 sessions, and three panel discussions with multiple stakeholder opinions.

In 2020, we're bringing even more movers and shakers to Crossroads.

We will continue our most popular sessions from 2018: our sold-out Medicaid 101 and exclusive speed networking meetings with state Medicaid officials. Through dynamic presentations and panel discussions, we will highlight pressing Medicaid issues, including:

- DRUG COST EVALUATION METHODS
- MEDICAID REFORM
- VALUE-BASED AGREEMENTS
- MANAGED MEDICAID DRUG MANAGEMENT
